CARSON CITY, NV - The Nevada Department of Employment, Training and Rehabilitation (DETR) has announced that in order to conduct regular system updates, the unemployment insurance system ([ui.nv.gov](http://ui.nv.gov)) site will be offline tomorrow night, Saturday, September 12, 2020, from 2 p.m. until midnight, a period of lower traffic.

During this brief window, individuals will not be able to file claims or access the resource materials. Filers are encouraged to visit the sites after midnight tomorrow night. This maintenance will not impact the Pandemic Unemployment Assistance (PUA) site ([employnv.gov](http://employnv.gov)) and individuals filing PUA claims online will not be affected.
